“Period family house with huge potential”

An individual Period house located within 150 yards of the River Thames and under 1 mile from Maidenhead town centre and railway station. This attractive and well-proportioned property, which was previously used as an H.M.O/bed and breakfast, requires some updating and re-modelling with the potential to create a fabulous family home which is complemented by a delightful established south facing garden with a useful and versatile detached studio/guest annexe which could lend itself to a variety of uses. The property is being sold with no onward chain.

Two reception rooms (one with en suite shower): Kitchen/breakfast room: four bedrooms (three with en suites): Shower room and separate with WC: Separate cloakroom: Useful Guest annexe with en suite shower room: No onward chain.

Directions: Proceed east out of Maidenhead along the A4 Bath Road, going over Maidenhead Bridge and passing the VW garage on the left hand side. On reaching the mini roundabout, turn right as if coming back towards Maidenhead and take the driveway on the left hand side into the property.
